

## effect on students:

**helps  
students  
save time**

On campus  
students  
would use the  
delivey service

**students  
can get  
jobs as  
drivers**

makes  
students with  
health  
conditions life  
easier

delivery is  
easier and  
more efficent  
considering  
most classes  
are online

**students  
studying  
for exams**

## restaurant operation:

**hours**

**types of  
resturants**

limited to on  
campus only, or  
partner with other  
restaurants to allow  
for meal swipes and  
meal plan dollars?

**on  
campus  
food only**

**meal plan  
for  
delivery**

**payment  
methods**

## delivery:

delivering to  
quarantined  
students

**delivery  
fee**

hours capped  
for delivery to  
only certain  
times of the  
day?

**drivers**

**delivery  
should arrive  
at a  
reasonable  
time**

if the delivery is  
messed up  
reimbursement is  
promised

## policies and procedure :

**building  
addresses**

students  
phone  
number to  
contact at  
arrival

**text update of  
when driver  
arrives**

**updates of  
when driver  
picks up food**

**driver is not  
allowed aces  
to building**

## positives:

**help limit  
spread of  
corona**

**no  
crowded  
lines**

students dont  
have to walk  
to dinning  
halls

**easier  
management  
of orders**

**cleaner and  
safer  
alternative**

**reduce  
outside  
exposure on  
students**

would certain food  
need to be  
discontinued  
because it needs to  
be kept better?

would we  
need food  
drop off  
stations at the  
front desk of  
each dorm?

food pickup  
station in the  
dinning hall  
for the drivers

**scheduled  
time for  
delivery**

multiple  
orders can be  
filled by one  
person

how is food  
going to be  
kept cold, hot,  
etc

priority  
delivery for  
certain  
perishables

how could we make  
sure that the drivers  
were keeping safe  
by wearing a mask  
in the car to prevent  
the possible spread  
of covid through the  
food

camera in the  
car to make  
sure they  
followed  
safety  
procedures?

background  
check on  
drivers

stops students from  
continually  
touching food and  
drinks that are in  
the cases
